Dear Parent,

Greetings of peace to your families. Due to the virus situation which has lasted beyond what everyone has anticipated, including the experts, and still not seeing the horizon of its decline, the last two classes of catechesis previously scheduled for July 13/15 and July 27/29 will have to be suspended. We will see in a month or so if at least one or two of them can be made up by the end of August or in September, but for the moment it would not be wise due to the exponential growth of Covid-19 cases in the state, and particularly in Greenville County. We will attempt a brief evaluation of children and youth who were in second year as soon as it is feasible.

As for registrations for the upcoming Catechetical Journey 2020-21, they will be postponed a little more before starting. You will be notified when these registrations are open by means of a message with the weather app (sign-up on the Parish homepage: [www.blessedtrinitysc.org](http://www.blessedtrinitysc.org)). Please remember, your child must be enrolled each year.

Ideas are still being sifted as to how to conduct the classes in the fall, but due to the complexity and lack of resources they will not be virtual. If circumstances of the Covid-19 virus continue to present the same danger into September, there is a good chance that we will have a rotation of groups in the chapel with at least one parent accompanying their child and participating.

Thanking you for your patience and understanding as we navigate these turbulent waters yet always with a firm faith in Christ.

Cordially,

jeff p. lawrence
