## OBEDIENCE AND DISOBEDIENCE

Along the centuries a saying has been flowing among men and women of faith : " who obeys is never wrong " , meaning that those who obey , have peace of mind and joy even in the middle of turmoils. Obedience is a blessing and only those humble and meek of heart could understand it.

Disobedience, on the other side of the tracks, takes to confusion , anxiety and unable to move forward to security and peace of mind.

Obedience equals stability and balance. Disobedience equals instability and unbalance.

Jesus is our big brother and model in everything and Hebrews 5 teaches us : " Jesus Son , though he was , he learned obedience from what he suffered" and according to Philippians 2 : " Jesus humbled himself , becoming obedient to death " .

The parish family of our dear Blessed Trinity Church walks through the paths of obedience and abounding fruits are blossoming in our midst. We don't want to be called " rebel people " and " rebellious house " ( Ezekiel 2) who rebel against God and the authority of the Church . Our goal as community is always do God's will .

Mary of Nazareth , share with us your strong determination , when you said : " Behold , the handmaid of the Lord. May it be done according to your word " ( Luke 1 )

Loving blessings from Fr. Jaime
