Dear Parishioners,

Our parish was founded only in 1974. We have over 2000 families in our files – but we report only 370 families to the diocese. We need your help to make our records accurate! Please help us by filling out the bottom of this bulletin and returning it in one of the next weeks. We are asking just the information that changes most frequently over the decades! Names, Address, Home Phone, Cell Phone.

Many parishioners have demonstrated a commitment to support the parish financially through the use of envelopes provided by the parish. Parishes operate only because of the generosity of parishioners – we need your financial support. If you would like to receive a set of envelopes for 2015, please tell us.
