## ST. BENEDICT .- ( 480-547 )

Each year on July 11th , there are joyful celebrations in the Benedictine and Trappist monasteries all around the world celebrating the memory of their founder St. Benedict of Nursia ( 480- 547 Italy ).

One man who became like Jesus , the cornerstone of many lives consecrated to God in the monastic life . He prayed fervently to the Holy Spirit and wrote the Rule which teaches the main principles of monastic life :

*" the renunciation of one's own will and arming oneself with the strong weapons of obedience under the banner of the true King , Christ the Lord "* and if we pay attention to each word is absolutely applicable to every believer who sincerely desires to follow the Lord 's steps either as a lay person or in an ordained ministry .

St. Benedict had a sister who also is a saint , St. Scholastica who was a holy Benedictine nun.

ORA et LABORA are the favorite words of the saint that fit perfectly in our lives :

We pray and we work .

Mary , Mother of Silence & Contemplation , pray for us  
Blessings from Fr. Jaime

**HEARTFELT CONDOLENCES** to Karl Rogozinski and family on the passing of his father Ben. May he rest in peace with our loving Lord.
